

REMARKS

The amendments to the final paragraph of page 3 and the first few lines of page 11 merely serve to bring the specification into compliance with 37 CFR 1.821-1.825 and do not constitute new matter. The amendments to the first two paragraphs of page 11 merely serve to correct an inadvertent photocopying error, do not constitute new matter, and are fully supported throughout the application as well as in the priority document (the presently pending application is a continuation of US S/N 10/222,738).

If the Examiner believes it to be helpful, the Examiner is invited to call the undersigned representative at (312) 913-2106.

Respectfully Submitted,
